Docket No. E-01345A-13-0140 and E-01345A-14-0250

Dear Commissioners:

I'm sure you have heard all the reasons why you should, or should not, approve the APS proposal to lease rooftops for solar panels. At the end of the day, it comes down to who do you serve? Arizona citizens or out of state solar profiteers?

This project means Arizona jobs, a benefit to Arizona property owners, and clean Arizona energy. **This project benefits Arizona.**

Please approve this proposal.

Thank you,

Joseph Ketterle
